Annual Report and Accounts

Year to 30th September 2020

Trustees' annual report for year to 30th September 2020

The Managing Trustees present their report for the year ended 30th September 2020 which should be read in conjunction with the attached financial statements for the same period.

Legal Status

The Charity is established by Trust Deed dated 12th February 1981, amended with approval of the Charity Commission on 12th November 2004. The Parish Council of Sampford Brett is the Custodian Trustee, in whom the land is vested. The charity commission number is 268277.

Objects, policies and organisation

The trust is established to provide and maintain the Village Hall for the use of the inhabitants of Sampford Brett without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure time occupation, with the object of improving the conditions of life for the said inhabitants.

The hall is available for hire by any individual or organisation in accordance with the standard hiring agreement and scale of charges adopted for the year. It is intended that the scale of charges be sufficient to meet the ordinary expenditure incurred in providing the hall.

The management committee, who are the managing trustees, is elected or appointed on an annual basis, with the offices being elected from the membership of the committee. The annual general meeting is usually held in November.

Chair's Review of the year

Well here we are with another year gone by, and what a year it has been.

After the AGM last year the regular users continued to attend their various activities, with SBAG holding various Pop Up Pubs. Miss Vellacott's Christmas fair also took place, well organised as usual by Kathleen, although after many years of hard work she is standing down from this role. I know we all wish to thank her for all her hard work over the years. SBAG is taking on the responsibility for ensuring that this unique village tradition continues for the future, although it is unlikely to occur this year due to the current restrictions.

In January the Hall saw its first Burns Supper for a few years and a good time was had by all, the Ceilidh in particular was very popular, with Jane Busby putting us through our paces. Covid then hit us, and since then very little has taken place.

Currently the only regular user is the Pilates group who are managing Covid friendly sessions. We had planned to start a minor refurbishment of the hall in the spring but that has not occurred due to the distancing restrictions. However it is still on the schedule and as soon as groups are allowed to get together we will get down to sprucing the hall up.

One good thing to come out of the current situation is that the Village Hall was entitled to a grant from the government, and consequently we are £10,000 better off. With SBAG's generous donation of £1300 for assistance with general running expenses and £1300 to go into the refurbishment/rebuild fund the Hall bank account is looking fairly healthy. Brenda Payne is standing down from the VHMC and I would like to thank her for all her hard work, in particular in decorating the Village Hall for Christmas for many years.

Dave Smith is also standing down as Secretary and I would particularly like to thank him for all his assistance since taking over as Chairman, to use a cliché "I couldn't have done it without him".

Charles Cadby will be standing down as Lettings and Maintenance manager as he and Martine, sadly, are moving away from the village, and we will all miss them, particularly their Big Breakfasts. Charles has been active on the VHMC for some years and we are indebted for the level of commitment he has shown. We wish them well.

There will be several vacancies on the VHMC so remember this is your hall, so please think about helping out on the committee. Soup club needs a new coordinator, as Liz Blazey, who has managed this role for many years would like to stand down. I must stress this is a coordination role and does not require attendance at every soup club, nor making soup as there are teams who do this. Liz is happy to continue looking after the money side.

Well that's it from me, let's hope that as we go into 2021 that life returns to a degree of normality, Stay Safe

Financial Review of the Year

Due to an unqualified year with Covid-19 the Village hall have suffered with lettings income but have managed to secure a Government Grant leaving the Village Hall in an exceptionally healthy balance at the end of this financial year.

Lettings

Receipts from lettings have decreased to £1,384 (last year £1,691 2019). Having lost some clubs during the last year 2018-2019 we have unfortunately not taken any new bookings for regular clubs.

Electricity

In respect of electricity supply, the policy has been that the Hall bears the cost of lighting and frost prevention, but it budgets to recover the cost of heating and cooking through the coin boxes. We have collected £429 from the coin boxes but it has cost £499, leaving a short fall of £70. Although the electricity usage has been extremely low over the last few months.

SBAG

SBAG have given the VHMC £1,300 towards rebuilding the village hall, but also £1,300 towards refurbishment and running the village hall.

Other Income

We have managed to secure a Government Grant due to covid-19 of £10,000. This means that we end the year with an extremely healthy balance.

Outgoings

The VHMC had agreed to make some refurbishments over this financial year but this has not come to fruition. We are looking at the acoustics of the hall and re painting and decorating the inside to improve the sound and look. Having launched the POP UP PUB we are also looking at making a bar area.

Therefore, the maintenance of the VHMC has been virtually nothing.

We started the year with an opening balance of **£16,983.94** and we have ended with a balance of **£30,058.52**.

Booking Secretary's report

Clearly, bookings have been decimated this year from a position of a 21% occupancy rate down to just 5.8%. We hope this situation will recover in the new year, but many of the regular groups have yet to let me know of any return to normal schedules, for obvious reasons.

To date, the only group to have restarted, if temporarily, is Pilates.

New for next year are agreed dates from February (Covid permitting) for the local Parkinson's Support Group (WASP).

Alastair Weldon has booked the car-park for use by his Re-enactment Group.

On a personal note, it has been a pleasure to serve on the committee over the last 7 years, and it is with regret that I have to resign before moving from the area in December. We shall no doubt get news of the exploits of the village, and look forward to being invited to the grand re-opening of a refurbished Village Hall in the fullness of time.

Independent examiners report to the trustees of Sampford Bridge Village Hall

I report on the accounts of the charity for the year ended 30th of September 2020 which are set out on the following pages.

Respective responsibility of trustees and independent examiner

As the charity's trustees you are responsible for the preparation of the accounts. You consider that the audit requirement of section 43(2) of the Charities Act 1993 (The Act) does not apply. It is my responsibility to state, on the basis of the procedure specified in the general directions given by the charity commissioners under section 43(7)(b) of The Act, whether particular matters have come to my attention.

Basis of the independent examiners report

My examination was carried out in accordance with the general directions given by the charity commissioners. An examination includes a review of the accounting records kept by the charity and the comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiners statement

In connection with my examination, no matter came to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 41 of The Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the act have not been met or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
